**DISCLAIMER**

* Every attempt has been made to give accurate information, but performance and range figures are estimates given as a guide only. Dirt or growth on the hull, tuning of the engines, size, make of engines fitted, damage to the propellers, the temperature of the air and water, the weight of the fuel, water stores and number of people can all affect the boat's performance and range. For these and other reasons we can give no performance guarantees and they do not constitute to treat or term of the contract. There may be items shown in these photographs that are not included in the standard inventory of the model shown. This specification refers to models sold in the United Kingdom. Actual specification for models sold in other markets may vary and specifications and models may be changed or withdrawn at any time without prior notice. The individual specification of each vessel will be agreed as part of the sales contract between the purchaser and the ICE Marine dealer.
